II - Status Report on Conditions and Notes

O 8. Conditions or Notes to be addressed: You do not need to address Opportunity for Improvement (OFI).

Please explain and provide the necessary documentation/evidence for addressing each condition or note since your last report.

Are you requesting the Board of Commissioners to remove notes or conditions? (If the justification for removal is lengthy consider attaching an appendix to QA report).

If you need a table that is not in the evidence file for the following report on removing notes or conditions please contact the office.
